

1. D2 & D4 FORMS - (D2) Application for a driving licence for a lorry, minibus or bus (D4) Orange medical form. We can provide you with these forms and advise you on how to fill them out correctly.

2. MEDICAL - This is required before sending your licence pack off. We can book this for you with our Doctor 01902 731195 - Poplars Medical WV10 9PG. Or you can book it with your own GP however they may be dearer in cost. You will need to take your D4 with you.

3. PROVISIONAL LICENCE - You need to obtain your provisional licence before driver training can commence. Once you have completed the above you then need to post your D2, D4 and current drivers licence to the DVSA using the envelope provided.

4. THEORY - You will need to sit a LGV theory test you will need to book this via GOV.UK website however we can help you book this. You can use www.drivingtheory4all.co.uk for revision or www.lgvtheory.co.uk

5. HAZARD PERCEPTION - You will also need to sit a hazard Perception test this is also bookable via GOV.UK website we can also help you with this.

6. DRIVER TRAINING - Its time to start training! Now you have completed the above you are ready to start training in your required vehicle category.

7. TEST - At the end of your training you will have to sit a practical driving test and perform a reverse manoeuvre.

8. MODULE 2 - As a new driver you will need a driver CPC card to legally earn a living from your driving. Case studies LGV theory test is the first step towards your Driver CPC, you can find revision for this on www.drivingtheory4all.co.uk. We can help with booking this. *Please note that some drivers do not require initial CPC*

9. MODULE 4 TRAINING & TEST - This is the second step to obtaining your Driver CPC card. You will be given the sufficient training for this practical part of your CPC with us.

10. YOU'RE QUALIFIED TO DRIVE! - Once your driver CPC card arrives in the post you are legally entitled to drive for a living i.e for hire or reward.
